Under the fourth standard, you must show that the subject matter of your request is a "matter of widespread and exceptional media interest in which there exist possible questions about the government's integrity which affect public confidence." *Id.* at § 16.5(e)(1)(iv). This office makes determinations regarding the first three standards, while the Department's Director of Public Affairs makes determinations regarding the fourth standard. *See id.* at § 16.5(e)(2).

Based on the information you have provided, we have determined that your request for expedited processing under this standard should be denied.
